

# Why is Home Resource Company, Inc. the best choice?

---

**With so many Contractors to choose from, its important for you to know what sets Home Resource Company Inc apart and why we are the best choice for your project:**

- 40 years in business serving Thurston County, we must be doing something right!
- You can count on our years of local experience, and solid local trade partnerships that provide you with the highest quality workmanship for the best value. We are employee based and have tenured in-house skilled craftsman that perform work directly.
- Multiple years winner of REX Award for "Residential Whole House Remodel of the Year" & "Residential Kitchen the Year" by Olympia Master Builders Association.
- We want to be involved early on to help you avoid costly mistakes or oversights and to help you get your project started on the right foot.
- We work with a network of local designers and architect to help you find the best match if needed.
- We return your calls & respond to emails promptly! Communication is key, above all we have clear communication with you throughout your project and keep you updated
- Members of the National Association of Home Builders and Olympia Master Builders for over 17 years.
- We have built and remodeled more than 1,500 Homes, Garages and Shops in Thurston County Since 1979.
- We provide a bid for your project based on actual costs determined by your specifications, not an incomplete price based on loose allowances or erroneous square footage costs that result in significant cost overruns and multiple change orders you didn't anticipate.
- While on your site, we will be respectful of your home & neighbors. At the end of each day, we leave your site clean and free of safety hazards.
- We calculate our budgets/allowances on your actual selections. We ask clients to do a little shopping and homework up front, which pays off in accurate allowance amounts for items you would really want in your house, not low budget numbers that make your overall bid look more appealing.
- We are professional PROBLEM SOLVERS. We are prepared to have answer and provide options for anything a client can ask for or have come up. We pride ourselves on being solution oriented and cost conscious.

**And Finally, we have a proven track record of doing what we say, performing honestly and ethically, and completing successful projects for clients as expected. Just ask our references!**
